

There are many co-ops in Alabama, but we list only those open to all homeschoolers, not just members of a sponsoring cover school. They are listed in alphabetical order by city, but keep in mind that members may join from outlying areas, so we have the county listed as well. If your city is not listed, look for your county or a city near you.

Another place to look for co-ops is [LeapingFromTheBox.com](http://LeapingFromTheBox.com) .
